### A Nevada Murderer.

Prescott, Ariz., Jan. 24.—James P. Boone, who is wanted in Esmeralda county, Nevada, to answer to the charge of murder for the killing of Antonio Basch on November 20th, 1895, and for whom there are rewards aggregating \$950, was arrested yesterday evening by Sheriff Ruffner of Yavapai county. Ruffner left on the afternoon train for Nevada to deliver him to the Sheriff of the above county. Boone had been employed for about a month as a teamster, freighting between the Bowen and Ridenour mine and Peach Springs, on the Atlantic & Pacific railroad. He always carried a loaded Winchester on the wagon convenient to him, and but for a ruse adopted by the Sheriff to get him away from the wagon, he no doubt would have made a fight. As it was, he was very reluctant about obeying the order of the Sheriff to throw up his hands. He is a very determined and desperate looking man.

### Declines to Retire.

Chicago, Jan. 24.—An autograph letter has been received by Colonel Crofton from Secretary Lamont, requesting the Colonel to retire on account of the many scandals which have occurred in his regiment, indicating a lack of discipline at which the President is much aggrieved. The Colonel refuses to retire and relies on the influence of his nephew Dupont of Delaware, who will use his election as United States Senator to retain for him his position in the army.

## TIMES CHANGE ALSO PRICES.

Do you realize this. Do you know what made it. It was not the old time grocers who showed the people the value of a dollar, but new blood forced new prices to the front and showed the people where they were at.

We did not have to reduce prices to meet them *they came to our price.* This is our claim. We only want you to know where the credit belongs and deal accordingly.

We changed with the times, not after them, and our groceries are sold for modern prices.
